QUALITY POLICY

It is the Policy of **Kingston Carton Company Ltd** to obtain and maintain approval as a Firm of Assessed Capability to ISO 9001: 2015.

The primary objectives of **Kingston Carton Company Ltd** are to supply folding cartons to its customers, to be an excellent supplier in terms of service and quality – something which the Company and its members strive to achieve in all cases. These objectives are established and reviewed at Management Review meetings to ensure product supply and customer satisfaction.

The Company is committed to satisfying all applicable requirements and has established itself as a strong market leader in terms of customer satisfaction and are also committed to a policy of continuous business and Quality Management System improvement.

The Company intends to grow its customer base, establish a strong position in identified sectors and be endorsed as such by accreditation.

The Quality Assurance systems and procedures contained in and referred to by this Manual have been carefully compiled to ensure all employees of Kingston Carton Company Ltd will adhere to the required accuracy.

It is the responsibility of all employees to ensure the Company's products are supplied and inspected in accordance with specified requirements. The **QA/HSE Manager** shall be responsible for ensuring this Policy meets the expectations and needs of the customers and is understood, implemented and maintained by all employees.

The compilation, revision, maintenance and continual improvement of the Manual and the associated procedures along with the continued and effective use of the procedures are the responsibility of the **QA/HSE Manager**

Authority to give directions within the terms of the procedures lies with the **QA/HSE Manager and Deputy Quality Manager (Factory Manager Finishing)** who, as the nominated representatives are responsible for ensuring that the requirements of **ISO 9001: 2015** are implemented and maintained.

Signed:  (Chairman)

Date: **29th January 2021**
